MST HIGHLIGHTS FEBRUARY 11, 2008 BOARD MEETING

FEBRUARY EMPLOYEE OF THE MONTH

The MST Board adopted Resolution 2008-13 recognizing Karleen Russell, Accounting Assistant, as MST Employee of the Month for February 2008. Karleen's involvement with the implementation of the new FAMIS payroll system was instrumental in getting the necessary data entered and validated on time. With her involvement, MST was able to meet our "go-live" date as planned thus avoiding a possible three-month delay, and all of the complications associated if that had occurred. She has consistently proven her professionalism and dedication. She maintains a positive attitude while remaining flexible to assist where needed within her department.

DISPOSAL OF CNG BOTTLES

The MST Board authorized staff to negotiate the removal of MST's CNG bus yard infrastructure, dispose or sell the CNG storage bottles and fund the partial repair of the TDA bus parking lot.

AMALGAMATED TRANSIT UNION MEMORANDUM OF UNDERSTANDING

The Board ratified the MOU between MST and Amalgamated Transit Union Local 1225. This MOU reflects a 2.5% wage increase in the first year with some work rule changes that reflect another .5%. The second and third years of the contract reflect a 3% wage increase each year.

ELECTION OF OFFICERS

The MST Board of Directors held their election of officers and re-elected Director Fernando Armenta as Chair and Director Tom Mancini as Vice-Chair. Other staff appointments remain the same.
